Working Vision Statement

We are committed to helping every person believe in Jesus, belong to a family, become a disciple and build His kingdom.

GAINING VISION TRACTION

We are committed to helping every person **believe in Jesus**, belong to a family, become a disciple and build His kingdom.

How will we help more High School Students **believe in Jesus** in the next 6 months?

Make your steps accessible for your team

The screenshot displays the Trello web interface. At the top, there's a navigation bar with a home icon, a 'Boards' tab, a search icon, the Trello logo, and user profile icons. Below this, the user's name 'Clint Bieri' is shown along with 'Personal' and 'Private' board types, and an 'Invite' button. A 'Butler (4 Tips)' button and a 'Show Menu' button are also visible. The main area shows a calendar view with columns for January, February, March, April, and May. The 'January' column contains two cards: 'Attend Dare2Share' and 'Purchase GOSPEL Curriculum'. The 'February' column contains one card: 'Winter Retreat - GOSPEL Focus'. Each column has a '+ Add another card' button at the bottom.
